Illinois Perinatal Quality Collaborative: Next Steps and Wrap Up

November 10, 2014
Ann Borders, MD, MSc, MPH, Executive Director
Next Steps for ILPQC

- Continue to focus on low burden / high value QI support, education and collaborative learning for hospital teams
- Continue to optimize data system to best support QI
- Confirm each participating hospital has an engaged team: OBs, MFMss, and Neonatal physicians, Quality and Nurses
- Engage additional hospitals, providers, nurses perinatal leaders to participate: Advisory Workgroups, Hospital Teams, Initiatives
- Continue to engage stakeholders / key advisory groups
- Sustain current initiatives
- Launch Neonatal and OB initiatives for 2015
To Participate in an ILPQC QI Initiative

- Establish a QI team at your hospital
  - Nurse lead
  - Physician lead
  - Quality lead (if applicable)
- Request ILPQC data system REDCap access
- Submit team roster and data access request via online forms at [www.ilpqc.org](http://www.ilpqc.org)
To Participate in an Advisory Workgroup

- Neonatal, Obstetric, and Data Advisory Workgroups meet monthly to provide guidance for ILPQC initiatives
- Representation across state, perinatal levels, and professions (MDs, RNs, QI, public health)
- Contact info@ilpqc.org to participate
